PROFILE

I am a dedicated WordPress Frontend Developer passionate about building responsive, user-friendly websites. I customize themes and plugins to enhance user experience and improve functionalities with my HTML, CSS, and JavaScript skills. Committed to staying current with trends, I thrive in collaborative environments and contribute to projects that elevate online presence.

WORK EXPERIENCE

Adit Microsys Pvt. Ltd.

April-2024 to continue...

Wordpress Frontend Developer

I have created multiple WordPress websites, consistently giving my 100% to ensure high-quality results. Additionally, I have contributed to several government projects, gaining valuable experience in the process. My focus is always on delivering excellent outcomes and enhancing user experience.

Adit Microsys Pvt. Ltd.

Dec-2023 to April-2024

Frontend Designer (Intern)

I have assisted in maintaining and managing websites, contributing to the creation of WordPress and static sites. I implemented CSS, HTML, and JavaScript modifications, significantly enhancing the user experience.
